

PRIVACY POLICY

Websites of MAGDA BUTRYM may send and use cookies. This Cookies policy refers to www.magdabutrym.com.

The term "cookies" denotes computer data, in particular text files, stored in the user's terminal equipment for the use of websites. These files allow to identify the user's equipment and properly display the website tailored to their individual preferences. "Cookies" typically contain the name of the website from which come, the storage time on the terminal equipment and a unique number.

"Cookies" are used in order to tailor website content to user preferences and to optimize the use of web pages. They are also used to create anonymous, aggregated statistics that can help understand how the user uses websites, which makes it possible to improve their structure and content, with the exception of personal user identification.

In principle, two types of "cookies" are used: *session* and *persistent cookies*. The first one (*session cookies*) are temporary files that remain on the user's device until the user logs out from the website or closes the software (web browser). *Persistent cookies* remain on the user's device for the time specified in the parameters of *cookies* or until they are manually removed by the user. *Cookies* used by the website operator partners, including in particular website users, are subject to their own privacy policies.

Cookies are not dangerous because they are not computer programs and cannot be used as codes. They do not spread viruses and each user can manage cookies on their terminal equipment. Moreover, personal data are not stored in cookies and their content does not allow to identify the user. If a user does not wish to receive cookies, they may change their browser settings.

We wish to inform that disabling cookies can make it difficult to use magdabutrym.com, and in extreme cases, it can make it impossible to use websites. For detailed information on managing cookies settings we recommend that you follow the instructions in the web browser you use.

BH Group Sp. z o.o. based in Zabrze reserves the right to change this Privacy Policy. The new privacy policy applies to users from the moment it is published at magdabutrym.com/privacy-policy.
